

Implement the Gold Standard in Fertility, Family Building and Women's Health with Progyny and Benefitfocus

Progyny, the market leader in fertility, family building and women's health, has been selected by Benefitfocus to be its preferred fertility, family building and women's health benefits provider. This partnership means there is a simplified path to bringing your employees Progyny's best-in-class solution. Since 2016, Progyny has been setting the standard in managing complex care journeys across the fertility, family building and women's health space. **With Progyny, members are supported across their entire care journey with:**

Specialized network

of the nation's top fertility and women's health specialists

Concierge support

1:1 and matched to members for their entire journey, paired with robust digital experience

Cohesive, data-driven care

embraced by providers, creating proactive and connected member experiences

Equitable benefit design

that enables coverage and access to evidence-based care, personal to each member

This innovative benefit model is how Progyny is able to deliver superior clinical outcomes and cohesive member experiences year after year, which results in:

- ✓ **More members realizing dreams of family**
- ✓ **Healthier pregnancies and babies**
- ✓ **Reduced member stress and burden**
- ✓ **Boosted retention and recruitment**
